

**CHS is seeking a self-employed psychiatrist to join its Children, Adolescents & Family clinical team**

**Requirements:**

- Candidates will need to have completed their training either in Child psychiatry or in Psychiatry. If they don't have the title of Child psychiatrist, they should have prior experience working with children and/or adolescents
- They should be able to assess and treat children and adolescents with multiple and complex mental health disorders
- An additional training in psychotherapy is highly valued
- Candidates will need to be fully registered in Belgium. They will need to be in order with their Inami number and their registration at Ordre des Médecins
- Registration as self-employed professional
- Written and spoken proficiency in English. Additional languages are a plus, as we welcome patients from all origins and backgrounds
- Candidates should be available to attend weekly clinical team meetings on Wednesday mornings

**To Apply:** Please send your **CV and covering letter**, with the subject line "Children's Team Vacancy: Psychiatrist", to:
